Whitefield Hall, Hepple, Morpeth, Northumberland, NE65 7LN

Dear Michael,

There is one public bridleway (Hepple 13) in the vicinity of the proposed
site. This route co-exists (in part) with the main vehicular access route to
the property and as such, I would envisage that the proposed plans will not
impact on the publics' means of accessing this route.

I will have no objection to the proposals on the condition that the Public
Right of Way in the vicinity is protected throughout. The planned works must
have no effect on accessing this route. No action should be undertaken to
disturb the surface of the path, obstruct the path or in any way prevent or
deter public use of the path without the necessary legal diversion or closure
order having been made.

Yours sincerely
Lorna Lazzari
