Dear Michael,

14NP0049 - Construction of new private water supply infrastructure at Midgy Ha, Sharperton, Morpeth, Northumberland, NE65 7AS

Thank you for consulting me on the above planning application. I do not believe that the proposed work as set out in this application will have a significant effect upon the landscape character, views or Dark Skies Park status of this part of the National Park.

Looking at the line of the new water pipe to be installed, I do not believe that any notable trees will be affected as a result of the proposals and thus I have no objections to this application.

regards
