Dear Chris/Michael

With reference to 14NP0051, the Parish Council has "no comment" on the application

With reference to 14NP0056, the Parish Council feels it does have sufficient information with which to make a decision and would like to attend the public meeting where there is to be a presentation from the applicant. Our next Parish Council meeting is on July 16th and I would ask for an extension to the date for submission of comments until after this meeting please?

With reference to 14NP0047, we are not listed on the website for being able to give comments ( I understand there was an error in the communication procedure); therefore please could you add that the Parish Council approve the application.

Kind Regards

Kate Chadwick  
Parish Clerk  
Tarsset & Greystead Parish Council
