Dear Michael,

14NP0054 - Approval of details reserved by conditions nos. 4 and 5 of planning permission 14NP0007 in respect of new single storey building located to the North-West of the existing house to accommodate a new biomass heating plant to provide heat and hot water for the existing and new buildings, with associated ancillary accommodation, office space and storage at Whitefield Hall, Hepple, Morpeth, Northumberland, NE65 7LN

Having reviewed the details of this application I can confirm that I am content with the proposals for new external lighting and amendments to tree protection measures as set out in the attached documentation. Combined with the details as set out in application 14NP0007 I believe that the proposed development will not have a significant effect upon the landscape character, views, notable trees or Dark Skies Park status of this part of Northumberland National Park.

I have no objections.

regards
