Dear Sir or Madam,

**Neighbouring Authority Consultation in respect of construction of an
agricultural livestock building
Land North West of Prendwick Farm, Whittingham, Alnwick,
Northumberland**

Northumberland National Park Authority has considered the above proposal,
and has the following observations to make.

No objections.

The NPPF states that "great weight should be given to conserving landscape and scenic beauty in National Parks, the Broads and Areas of Outstanding Natural Beauty, which have the highest status of protection in relation to landscape and scenic beauty". Its presumption in favour of Sustainable Development indicates that permission should not be granted for development which would have adverse impacts that would significantly and demonstrably outweigh its benefits.

Yours faithfully,

T Gates
National Park Officer
