Subject: RE: Planning Application Consultation 14NP0056 Greenhaugh Hall, Greenhaugh, Tasset, Hexham, Northumberland, NE48 1PP

Dear Chris,

I have no objections to this application. There is a SSSI/SAC meadow close to the site, but I do not think there will be any detrimental effect on this site from the proposed development.

I note the EA comments regarding sewage treatment and discharge. The Tasset Burn adjacent to the site is a Local Wildlife Site and we are of course keen that any development does not pollute watercourses. In this instance there may be increased usage of the existing system given the nature of the change of use for groups, although there is already a septic tank and this is for a 10 bedroomed house. According to the EA letter they may be exempt, but if a permit is required to discharge this is for the Environment Agency to assess and decide so I have no further comments.

Yours sincerely,  
Gill Thompson
