Subject: RE: Planning Application Consultation 14NP0065 South Teppermoor, Humshaugh, Hexham, Northumberland, NE46 4DB

Dear Chris,

Thank you for contacting me in relation to the above planning application.

Having reviewed the documentation provided with this application I can confirm that I do not believe that it would have a significant effect upon the landscape character or views of this part of the National Park. Neither does it appear to affect any notable trees within the vicinity of the building.

From the application submitted I also understand that there are no new external lighting units required as a result of this application and therefore the Dark Sky Park status of the National Park will not be affected.

I have no objections.

regards
