Dear Michael,

There is one restricted byway (Coursenside 53) approximately 30 metres to the north of the site, however I would envisage that the proposed plans will not impact on the public's means of accessing this route.

I will have no objection to the proposals on the condition that the Public Right of Way in the vicinity is protected throughout. The planned works must have no effect on accessing this route. No action should be undertaken to disturb the surface of the path, obstruct the path or in any way prevent or deter public use of the path without the necessary legal diversion or closure order having been made.

Yours sincerely
Lorna Lazzari
