1. This Planning Permission is granted in strict accordance with the approved plans. It should be noted however that:
- (a) Any variation from the approved plans following commencement of development, irrespective of the degree of variation, will constitute unauthorized development and may be liable to enforcement action.
 - (b) You or your agent or any other person responsible for implementing this permission should inform Development management immediately of any variation from the approved plans and ask to be advised as to the best method to resolve the matter. Most proposals for variation to the approved plans will require the submission of a new application.

NOTES

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he or she may by notice served within twelve weeks of the date of this notice, appeal to the Secretary of State in accordance with Section 78 of the Town and Country Planning Act 1990. Notice of Appeal may be submitted electronically via www.planningportal.gov.uk/pcs or on the Planning Appeal Form which may be obtained from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not, however, required to entertain such an appeal if it appears to them that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.
- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he or she may serve on the Council within the boundaries of which the land is situated, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- (3) In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
- (4) Please note that only the applicant has the right to appeal. Third parties have no right to appeal against a planning decision.
