Subject: RE: Planning Application Consultation 14NP0085 Holystone Grange Cottages, Holystone, Morpeth, Northumberland, NE65 7AN

Dear Chris,

I have read the bat survey and report submitted with the other application on this holding (14NP0084) that also covers the kennels in this application. The report states that there were no bat signs found in the kennels and it was considered minimal/low risk of bats being present. I therefore have no objections to this application and no suggested conditions.

Yours sincerely,
Gill Thompson
