Hi Chris,

To confirm, trees 7, 8 and 9 shown on the plan are the only trees to be removed. Apologies for the error in tables 1 and 2.

Kind regards,
Sam

Dear Ian/Sam

A further query on this application that has recently come to my attention. The tree protection plan indicates that the trees numbered 7, 8 and 9 are to be removed – however, tables 1 & 2 refer to trees 6, 7 and 8 to be removed. I am assuming that it is the three trees (7, 8 and 9) indicated on the plan that are to be removed and T6 (sessile oak) will remain, but would you be able to confirm this in writing please?

Many Thanks
Chris
