Dear Michael,

The proposed haulage route will involve the building of a new road NA3. This new road and haulage route will join and travel along the dual status route the U5049 Unclassified County Road/Byway Open to All Traffic 46 in Tarsset Parish.

I notice there are also plans to carry out road to repairs (RR2) to an 100 metre section of this route. Both the Highways and Rights of Way Departments at Northumberland County Council will therefore have to be consulted, as they hold the legal responsibility for the surface of the highway.

I will have no objection to the proposals on the condition that the Public Right of Way in the vicinity is protected throughout. The planned works must have no effect on accessing this route. No action should be undertaken to disturb the surface of the path, obstruct the path or in any way prevent or deter public use of the path without the necessary legal diversion or closure order having been made.

Yours sincerely
Lorna Lazzari
