Subject: RE: Planning Application Consultation 14NP0092 North of Blackaburn, 1.8 km North of Stonehaugh, Wark, Hexham, Northumberland

Dear Chris,

I note that this application is replacing a section of forest road and water crossing to straighten out a bend for forestry traffic. I have no objections to this and the road construction shown in the diagrams, but there is no information about the water crossing. Do you know whether this is just a ford or a replacement proper road crossing is proposed? From the aerial photo the current road goes over the burn on a proper road surface rather than a ford. If this is just a straight replacement I have no further comments.

Yours sincerely,
Gill Thompson
