Subject: RE: Planning Application Consultation 14NP0094 Linacres, Wark, Hexham, Northumberland, NE48 3DP

Dear Chris,

The proposed location is approximately 15 metres to the north of public bridleway 93 in Wark parish. This route and public byway 63 co-exist in part with the main vehicular access route to the property and I would envisage therefore that the plans will not impact on public use of these routes.

I have no objection to the proposals on the condition that the Public Rights of Way in the vicinity are protected throughout. The planned works must have no effect on accessing these routes. No action should be undertaken to disturb the surface of the paths, obstruct the paths or in any way prevent or deter public use of the paths without the necessary legal diversion or closure order having been made.

Yours sincerely
Lorna Lazzari
