Subject: RE: Planning Application Consultation 14NP0095 Wark Forest, approx 1 km East of Stonehaugh, Wark, Hexham, Northumberland

Dear Chris,

There is one public bridleway (Wark 26) which has the potential to be impacted upon during the construction of the new road. Although located over 350 metres to the south west, this route crosses the current forest road which will probably be used to access the site.

I have no objection to the proposals on the condition that the Public Right of Way in the vicinity is protected throughout. The planned works must have no effect on accessing this route. No action should be undertaken to disturb the surface of the path, obstruct the path or in any way prevent or deter public use of the path without the necessary legal diversion or closure order having been made.

Yours sincerely  
Lorna Lazzari
