FAO: Chris Stanworth

Dear Chris,

Subject: Installation of 2No. external flues and engineering works to serve biomass pellet boilers installed within existing storage building – Greenhaugh Hall, Greenhaugh, Hexham, Northumberland, NE48 1PP

Thank you for consulting Northumbrian Water on the above proposed development.

In making our response to the local planning authority Northumbrian Water will assess the impact of the proposed development on our assets and assess the capacity within Northumbrian Water's network to accommodate and treat the anticipated flows arising from the development. We do not offer comment on aspects of planning applications that are outside of our area of control.

Having assessed the proposed development against the context outlined above I can confirm that at this stage we would have no comments to make.

I trust this information is helpful to you, if you should require any further information please do not hesitate to contact me.

Yours sincerely

Laura Kennedy
