English Heritage is changing into two organisations.

From Spring 2015, we shall become Historic England, a government service championing England's heritage and giving expert, constructive advice, and the English Heritage Trust, a charity caring for the National Heritage Collection of more than 400 historic properties and their collections.

Dear Mr Stanworth

**Notifications under Circular 01/2001, Circular 08/2009 &  
T&CP (Development Management Procedure) Order 2010  
WALLTOWN QUARRY PICNIC SITE, BRAMPTON, GREENHEAD,  
NORTHUMBERLAND, CA8 7HZ  
Application No 15NP0009**

Thank you for your letter of 10 February 2015 notifying us of the application for planning permission relating to the above site. We do not wish to comment in detail, but offer the following general observations.

**English Heritage Advice**

Having considered the details of the application, we do not believe that this proposal would impact directly on any archaeological remains from the Hadrian's Wall World Heritage Site. In addition, although potentially visible from the World Heritage Site, we do not believe that it would harm the ability to appreciate and understand Roman military planning and land use. In light of this, we do not believe that this proposal would harm the setting of the World Heritage Site. Outside of English Heritage's remit, we would suggest that you consult your own specialist conservation and archaeological staff.

**Recommendation**

We would urge you to address the above issues, and recommend that the application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice. It is not necessary for us to be consulted again. However, if you would like further advice, please contact us to explain your request.
