Subject: FW: Planning Application Consultation 15NP0005 Bulby's Wood Car Park, Ingram, Alnwick, Northumberland, NE66 4LT

Dear Chris,

As the proposals are not likely to impact upon existing public access within the area, I have no objection.

However, I think it should be proposed that the layout of the parking is altered to locate the disabled bays closer to the access route into the building. Also, in terms of access for those with a disability a change to the surface of this path should also be considered.

Yours sincerely
Lorna
