Subject: RE: Planning Application Consultation 15NP0096 Otterburn Hall, Otterburn, NE19 1HE

Dear Rebecca,

The proposal is located within the area of the Registered Battlefield of Otterburn (1000029) and adjacent to a Listed Building (Stable Block to north west of Otterburn Hall - HER 13580). Both should be given due consideration as part of the application process. It is possible that the potential of the proposal to impact upon either may be negligible or neutral, however, a heritage statement accompanying the application, describing the heritage and its significance accompanied by photographs to show the heritage in relation to the development site should be provided in order for a balanced judgement on impact to be made.

Regards,

Chris
