Rebecca

I see there is an application by Mr Campbell ref 15NP0096 for 2 holiday lodges at Otterburn Hall. There are a couple of matters which I believe need bringing to the attention of Planning Department:-

1. The land is currently quite waterlogged.
2. The water supply is not mains as stated on the application.
3. The Land Registry has not yet finalised the sites so I am unable to confirm whether the sites go onto one of my plots or not.
4. The plans include grey paving which I believe may add to the waterlogging situation.

I would be grateful if you could raise the above points with the planning officer dealing with the application.
