

Reference No. 15NP0109

TOWN AND COUNTRY PLANNING ACT 1990

**TOWN AND COUNTRY PLANNING ( DEVELOPMENT MANAGEMENT PROCEDURE )  
( ENGLAND ) ORDER 2015**

**Agent :**

Cannon Conservatories  
19 Stella Gill Industrial Estate  
Pelton Fell  
Chester Le Street  
County Durham  
DH2 2RG

**Applicant :**

Mr and Mrs Farndale  
Glebe House  
Holystone  
Morpeth  
Northumberland  
NE65 7AJ

Under the above Act, Northumberland National Park Authority hereby grants planning permission for:

**Construction of replacement single storey orangery extension at Glebe House, Holystone, Morpeth, Northumberland, NE65 7AJ.**

as described in application reference **15NP0109** and in the plans and drawings attached to it, subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To ensure that the development is commenced within a reasonable period of time from the date of this permission and to comply with Section 91 (as amended) of the Town and Country Planning Act 1990 and Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Application form, received 09.12.2015  
Location Plan, received 09.12.2015  
Proposed Elevations, (Drawing Nos. CC/011 & CC/012), received 09.12.2015  
Proposed Site Plan, (Drawing No. CC/014), received 09.12.2015  
Proposed Floor Plans, (Drawing No. CC/010), received 09.12.2015  
Additional Historic Information, received 05.01.2016

Reason: For the avoidance of doubt and to ensure that the development accords with Policies 1, 3, 5, 12, 18, 19, 20 and 25 of the NNPA Core Strategy and the National Planning Policy Framework.

3. Any historic or archaeological features not previously identified which are revealed when carrying out the development hereby permitted shall be retained in-situ and reported to the local Planning authority in writing within 7 working days. Works shall be halted in the area/part of the building affected until provision has been made for the retention and/or recording in accordance with details submitted to and approved in writing by the local planning authority.

Reason: In order to ensure the protection and preservation of surrounding cultural heritage assets and that these are not adversely affected by the development, having regard to Policies 1, 3 and 18 of the Northumberland National Park Core Strategy and NPPF Paragraph 128

**Informative Notes :**

1. This planning permission is granted in strict accordance with the approved plans. It should be noted however that:
  - (a) Any variation from the approved plans following commencement of development, irrespective of the degree of variation, will constitute unauthorized development and may be liable to enforcement action.
  - (b) You or your agent or any other person responsible for implementing this permission should inform the Northumberland National Park Authority's Development Management team immediately of any variation from the approved plans and ask to be advised as to the best method to resolve the matter. Most proposals for variation to the approved plans will require the submission of a new application.
  
2. This Planning Application is granted subject to conditions and it is the owner and the person responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. If there is a condition that requires work to be approved prior to the commencement this is called a 'condition precedent'. The following should be noted with regards to conditions precedent:
  - (a) if a condition precedent is not complied with, the whole of the development will be unauthorized and you may be liable to enforcement action.
  - (b) In addition if a condition precedent is breached, the development is unauthorized and the only way to rectify the development is the submission of a new application. If any other type of condition is breached then you will be liable to a breach of condition notice.

3. The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from former coal mining activity. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological features (fissures and break lines); mine gas and previous surface mining sites. Although such hazards are seldom readily visible, they can often be present and problems can occur in the future, particularly as a result of development taking place.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required (for example the need for gas protection measures within the foundations), be submitted alongside any subsequent application for Building Regulations approval (if relevant). Your attention is drawn to The Coal Authority Policy in relation to new development and mine entries available at: <https://www.gov.uk/government/publications/building-on-or-within-the-influencing-distance-of-mine-entries>

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires a Coal Authority Permit. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain a Coal Authority Permit for such activities is trespass, with the potential for court action.

Property specific summary information on past, current and future coal mining activity can be obtained from: [www.groundstability.com](http://www.groundstability.com)

If any of the coal mining features are unexpectedly encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. Further information is available on The Coal Authority website at: [www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)

**Positive and Proactive Planning Statement**

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against the relevant policies in the National Planning Policy Framework and the Northumberland National Park Core Strategy and Development Policies Document. As a result, the Local Planning Authority has been able to grant permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Dated this: **3 February 2016**

**National Park Officer**

**Please note that this is not approval of plans under the Building Regulations. Also, this Planning Permission does not convey any approvals required under any other legislation, or override property rights held by other parties. Your attention is drawn to the notes attached. Failure to discharge planning conditions may result in the development not being authorised and subject to legal challenge.**

## NOTES

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he or she may by notice served within twelve weeks of the date of this notice, appeal to the Secretary of State in accordance with Section 78 of the Town and Country Planning Act 1990. Notice of Appeal may be submitted electronically via [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs) or on the Planning Appeal Form which may be obtained from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not, however, required to entertain such an appeal if it appears to them that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.
- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he or she may serve on the Council within the boundaries of which the land is situated, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- (3) In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
- (4) Please note that only the applicant has the right to appeal. Third parties have no right to appeal against a planning decision.
