**To:** Rebecca Adams  
**Subject:** Application Reference Number :16NP0031

Hello Rebecca,

Following on from our telephone conversation I would like reiterate that I have no objections to the application, however, it would be beneficial to include some screening to minimise visual impact. I would recommend that the screening be made up of native trees (with local provenance) and incorporate any planting that is already in situ i.e. hedgerows and other trees.

Please get back in touch if I can be of any further assistance.

Kind regards,

Jen

*I work part time as Farming and Rural Enterprise Officer. My usual working pattern is every Wednesday and Friday, and alternate Thursdays.
