

TARGET NOTES:

- Existing drystone walls to highway boundary to be modified to facilitate improved sight lines at road junction as set out on Glen Kemp drawing SIL-GK-00-ZZ-DR-L-8606. **NB: This work is outside the scope of Sir Robert McAlpine's main contract and is to be undertaken by others.**
- For details of vegetation management/tree removal at the Vallum (see SIL-GK-00-ZZ-DR-L-0100).
- Intermediate bin store formed in stone faced concrete block wall with 'green roof' formed using whinstone substrate to match main roof.
- Landscape mounds at base of building formed in whinstone gravel/subsoil mix to mimic 'scree' deposits (see SIL-GK-00-ZZ-DR-L-8413).
- YHA garden to contain play space with natural play features and one piece of fixed play equipment. For details of timber bat loft see JDDK dwgs.
- Stepped retaining wall. Lower wall formed in gabions with hand placed stone for drystone wall facing effect. Upper wall to be concrete with drystone wall facing with 1.1m high free standing drystone wall above that.
- Double leaf timber gate providing access to laundry room and electrical plant room.
- Outdoor classroom garden (see SIL-GK-00-ZZ-DR-L-8404).
- Pay points for parking charges.
- Feature wall to Bright 3D detail.
- Sandstone blocks forming buttresses to building to be used to form stepped features extending out into courtyard (see SIL-GK-00-ZZ-DR-L-8411).
- Cycle store.
- Cycle store and bin store. See GK dwg. 21-52-23.
- Cycle and bin store structure to be formed in concrete block wall with drystone wall facing and turf roof.
- Mound formed in centre of island using stone boulders.

KEY:

Vegetation

- Existing trees retained.
- New tree planting.
- New planting - grasses/hebeaceous/shrub mix.
- New specimen shrubs
- Grass habitat.
- Reinforced turf/gravel.
- Grassed pedestrian walkway on sub-base/topsoil mix.

Boundary treatments

- Existing dry stone wall.
- Proposed dry stone wall
- Proposed dry stone wall with retaining function
- Existing post & wire fence
- Proposed post & rail fencing.
- Birds mouth knee rail fencing.

Surfaces

Hard landscape surfaces left blank for purposes of clarity. See SIL-GK-00-ZZ-DR-8401 for surface finishes.

Miscellaneous

- Picnic tables (see SIL-GK-00-ZZ-DR-L-8412).
- Timber benches (see SIL-GK-00-ZZ-DR-L-8412).
- Timber gates (see GK Gate Schedule SIL-GK-00_ZZ_DR-L-8500).
- Feature stone boulders.
- Electric vehicle charging point.
- Wheelchair accessible parking bay.
- Proposed levels.

NOTES:

- See SIL-GK-00-ZZ-DR-L-8403 & 8453 for YHA Garden layout.
- See SIL-GK-00-ZZ-DR-L-8404 for Outdoor Classroom detailed layout.
- See SIL-GK-00-ZZ-DR-L-8414 for Main Entrance Courtyard detailed layout.
- See SIL-GK-00-ZZ-DR-L-8400-8402 for surface finishes.
- See SIL-GK-00-ZZ-DR-L-8405-8406 for kerb and edging types.
- See SIL-GK-00-ZZ-DR-L-8407-8409 for boundary treatments.
- See SIL-GK-00-ZZ-DR-L-8450-52 for soft landscape details.

Rev.	Date	Description
P01	27-05-15	Initial draft
P02	16-06-15	Trees to be removed updated.
P03	29-06-15	Annotation layout to LPG compound amended, RWST omitted/main courtyard revised.
C01	23-09-15	VE changes incorporated.
C02	06-10-15	Level change to car park access route and adjacent to LPG tanks, underground services layer switched off.
C03	07-10-15	Additional VE changes following design team review.
C04	23-11-15	Layout changes to north of Military Road incorporated.
C05	07-04-16	Changes to boundary wall incorporated.
