Subject: 16NP0055 - The Sill, Once Brewed.

Dear Sirs,

I have had a look at the plans submitted with this application and I note that the vehicular access to the south of the site does not show the gate set back as previously requested.

NCC Highways have no objections to the discharge of the conditions subject to a revised plan being submitted showing the gate set back at the vehicular access to the south of the site.

Regards

Michael Patrick - MIHE
