Subject: RE: Planning Application Consultation 16NP0059 The Old Farmhouse Stonehaugh Shields Kern Green Stonehaugh Northumberland NE48 3BU

Dear Rebecca,

Having looked at the proposals, there is one public bridleway and one public footpath in the immediate vicinity of the site. Wark Bridleway 26 enters the site from the south-east and follows the access road/track around the back and side of the property, exiting to the north before heading in a westerly direction through the camp site. Wark footpath 28 enters the site from the east and joins the route of Wark 26 on the north-east side of the property.

I will have no objection to the proposals on the condition that the Public Rights of Way are protected throughout. The planned works must have no effect on accessing these routes. No action should be undertaken to disturb the surface of the paths, obstruct the paths or in any way prevent or deter public use of the paths without the necessary legal diversion or closure order having been made.

Yours sincerely
Lorna Lazzari
