Good morning Rebecca,

I have read through the information you have provided with regards to the previous planning application 15NP0057 and have talked with my colleague Daniel Abberline. I can confirm that the applicant will not be required to follow the s184 Agreement process with regards to this application (16NP0070), and that the subsequent informative (INFO23) will not be required in this instance.

I hope this clears things up.

Kindest regards,

Sarah-Jane Nicholl

Highways Development Management Technician
