Dear Rebecca,

In terms of public access, there is one public bridleway in the immediate vicinity of the site and the area is not designated as open access. Greenhead public bridleway 18 runs to the east side of the site and follows the vehicular access track to the property.

I note the plans to refurbish this access road and will have no objection to the proposals on the condition that the Public Right of Way is protected throughout. The planned works must have no effect on legal users accessing this routes by foot, cycle or horse. No action should be undertaken to obstruct the path or in any way prevent or deter public use of the path without the necessary legal diversion or closure order having been made.

Thanks
Lorna
