Subject: New comments for application 16NP0103

New comments have been received for application 16NP0103 from Duncan Wise  
duncan.wise@nnpa.org.uk

Address:  
Eastburn, South Park

Comments:

The application lies within Northumberland International Dark Sky Park. There is currently no reference to any exterior lighting requirements in the application. If any exterior lighting is needed, it should comply with the design guidelines set out in the Northumberland International Dark Sky Park Lighting Master Plan. Very simply, please ensure all new lighting fixtures are fully-shielded and emit less than 600 lumens each.
