Dear Sir

Thank you for sharing this planning application.

The Councillors support the plan and have no objections.

The Councillors do however considerable sympathy for the family including a your child having to live in this caravan whilst seemingly no progress is being made with the application on the work of Red Hall. It is believed that there had previously been a bat report that did not show any activity and that work could begin. However it is understood that as there was sighting of one bat considerable delays have been experienced and the Renton's are not sure what timescales or what action now needs to be taken before progress can be made.

Perhaps you are able to comment and advise the Parish Council the latest position in respect of Red Hall, Elsdon and when progress is likely to be begin.

Regards

Martin Chilvers
Parish Clerk, Elsdon
