Hello Rebecca,

Having reviewed the amended drawing (160069:02) I can confirm that the revised car park layout is acceptable in Highways terms.

Dear Sarah-Jane,

Following your consultation response on this application, the proposed car park layout has since been revised. I have attached a copy of the proposed revised plan. The reason for the revision is to remove the spaces to the east (right) of the septic tank due to constraints presented by trees and land levels and instead relocate these spaces to the rear of the Coach House and west (left of the septic tank). I would be grateful if you could have a look at the attached plan and let me know if you have any comments to make on this, ideally by Monday 6th Feb.

Kind regards,

Rebecca
