Subject: Discharge of Condition 5 (lighting scheme) 10 (extraction and odour control) of approved planning application 16NP0103

Location: Twice Brewed, Haltwhistle, Northumberland,

I refer to your consultation dated 18th January 2017 regarding discharge of conditions relating to planning permission NP170004.

Public Health Protection are unable to comment on conditions 4, 7 and 8 as we did not request these conditions.

Regarding condition 5 (Lighting Scheme) and condition 10 (extraction and odour control) we have no objection to the discharge of these conditions.

With respect to condition 5 all lighting must be in line with the Northumberland National Park Good Practice Guide for Outside Lighting in Northumberland International Dark Sky Park.
