

All proprietary goods and materials are to be fitted in accordance with manufacturers instructions and relevant Codes of Practice.
 All work to comply with British Standards and relevant parts of "The Building Standards Regulations 1990" or equivalent national regulations.
 Notwithstanding all of the above, all electrical work must comply with current I.E.E. regulations or equivalent.
 The contractor will be held responsible for the structural integrity of all fittings and fixtures supplied.
 Samples of all finishes must be provided by contractors for approval by Bright 3D Environments Ltd prior to construction.

Dimensions must be checked by contractors and setting out drawings based on site dimensions must be approved by Bright 3D Environments Ltd prior to construction. Any variations between stated dimensions and site dimensions should be reported to the designer prior to work being executed.
