Subject: RE: Planning Application Consultation 17NP0016 The Sill Visitor Centre, Once Brewed, Hexham, Northumberland, NE47 7AN

Dear Chris

In principle installation of the proposed signage outside of Scheduled Monuments should not impact upon archaeological remains given the comprehensive pre-determination archaeological works proved negative. However, there remains a need for clarity regarding the implications of signage within the Scheduled Monument in line with Historic England's advice.

It would also be helpful if photomontages of the signage in situ might be produced, in order to assess these within the context of the World Heritage site?

Regards,

Chris
