Subject: RE: Planning Application Consultation 17NP0016 The Sill Visitor Centre, Once Brewed, Hexham, Northumberland, NE47 7AN

Hi Chris,

I do not wish to objection to this application.

Thanks for sending through the revised information accompanying this application, which provides much greater clarity on the proposal. There are clearly no below ground implications given the consented works related to the construction of the building, car park and associated landscaping. The revised information provides clear evidence that there will be no cumulative negative effects upon the setting of adjacent archaeological assets which would cause harm, particularly given the consented works relating to application 14NP0038.

In view of this, and taking into account the comments provided by Historic England, I have no objection to this application.

Regards,

Chris
