[REDACTED] 17NP0025 - Proposed lodge at Plot 16, Otterburn Hall

Dear Mr. Tweddle,

I email in connection with the above application for which I am the case officer. An email address was not supplied on your application however I obtained this from an email received from Mr. Ladhar regarding materials on 16th March. I trust that this is okay.

The application specifies that dark grey tiles, windows and doors will be used however doesn't specify the type of timber cladding to be used (e.g. larch or western red cedar etc.) although the proposed plans state that this is to be Western Red Cedar Shiplap boarding. Please could you therefore confirm what type of timber cladding is proposed. Please ensure that this information is provided no later than **Wednesday 12th April**.

Regards,

Rebecca
