Rebecca,

As requested please find attached an updated location plan which shows the additional red line areas which will incorporate the location of the bat and owl boxes.

The new bat and barn owl boxes are to be located in trees that are on land owned by Mr. and Mrs. Monroe. They are the applicants parents, and they will be managing the holiday let on behalf of the applicants. Access will be available across Mr. & Mrs. Monroe's land to install the owl and bat boxes.

I trust this revised plan and explanation is sufficient to enable the application to be progressed.

Regards

Tristan Spicer BA, BArch, RIBA. AABC.
