Dear Sir or Madam,

Neighbouring Authority Consultation - Proposed extension to existing porch. Proposed extension to form en suite. Demolition of existing car port and construction of new double garage at Blacksmiths Cottage, Alnham, Alnwick, Northumberland, NE66 4TN

I write to you in response to the planning consultation listed above.

Northumberland National Park Authority has considered the proposal and raises **no objections**, subject to the inclusion of the following condition:

1. Prior to the fixing of any external lighting in association with the replacement garage hereby permitted, details of the external lighting shall be submitted to and agreed in writing by the Local Planning Authority. Details should include:

- The specific location of all external lighting units;
- Design of all lighting units;
- Details of beam orientation and lux levels; and
- Any proposed measures such as motion sensors and timers that will be used on lighting units

The approved lighting scheme shall be installed in accordance with the approved details and shall be maintained as such thereafter, unless removed entirely.

Reason: In order to ensure that there is no harmful effect upon the tranquility and intrinsically dark character of the area, including the Northumberland Dark Sky Park through excessive light pollution, in accordance with paragraph 125 of the NPPF.

Yours faithfully
