

KEY:

- A Asphalt (See Patrick Parsons detail).
- T1 Tar spray & chippings for vehicle access road (colour T1). See Patrick Parsons detail, colour to be honey / pink tones.
- T2 Tar spray & chippings for car parking bays, See Patrick Parsons detail, colours: T1 = honey/pink, T2 = light grey tones.
- T3 Tar spray & chippings for pedestrian access, See Patrick Parsons detail, colours: T1 = honey/pink, T2 = light grey tones.
- U Lafarge Tarmac 'Ulticolour', Buff Quartzite, pedestrian access (See Patrick Parsons detail).
- N Natural sandstone flags (See Patrick Parsons detail).
- R Reclaimed stone flags (See Patrick Parsons detail).
- Whinstone setts (See Patrick Parsons detail).
- Loose gravel over compacted sub-base, pedestrian access (See Patrick Parsons detail).
- Loose gravel over compacted sub-base, vehicular access (See Patrick Parsons detail).
- W Compacted whinstone footpath (See Patrick Parsons detail).
- Reinforced turf [plastic grid - vehicular & pedestrian] (See Patrick Parsons detail).
- Reinforced whinstone [plastic grid] (See Patrick Parsons detail).
- Reinforced gravel for car parking bays [plastic grid] (See Patrick Parsons detail).
- Reinforced whinstone for delivery area. [heavy duty plastic grid] / Reinforced gravel for coach parking (See Patrick Parsons detail).

NOTES:

- Where 'no dig' road or footpath construction is required within tree root protection areas. Cellweb is to be used to the appropriate depth as a foundation to the specified surface finish (see SIL-GK-00-ZZ-DR-L-8415).
- Play spaces (YHA garden and between car parks) to have bark chippings or grass mat as primary safety surface (see dwg. SIL-PP-00-ZZ-DR-C-280).

Edging materials: (see dwgs. SIL-GK-00-ZZ-DR-L-8405 & 8506)

ADDITIONAL EXTERNAL LIGHTING.

2ND ADDITIONAL BOLLARD LIGHTS TO MATCH EXISTING.

Rev.	Date	Description
P01	07-05-15	Initial draft
P02	21-05-15	Differentiation made between vehicular and pedestrian surfacing types.
P03	27-05-15	Annotation added re 'no dig' construction.
P04	29-06-15	Colours to hard surfacing added to key, area of whinstone surface to cycle store changed to natural stone, minor layout change.

Client	NNPA / YHA		
Project	The Sill, Once Brewed, Northumberland		
Title	Hard surfacing - North
