

Request for amendment to Planning approval 18P 0053

External Lighting

(Revised Statement 5-3-19)

Site:

The Sill

Military Road,

Bardon Mill

Hexham

NE47 7AN

Further to the Planning approval for the above scheme I attach a revised plan showing 2 additional lights to assist with health and safety on the site.

The proposed lights will be the bollard type to match existing and will comply with the dark skies specification. The ERCO castor bollard, 900mm high. (detail also attached).

The proposed lights will be linked into the existing wiring circuit, which has a timer set so that the lights are switched on from dusk to 8pm Monday to Friday (when required) and dusk to 10pm on Saturdays and Sundays (when required).

It is proposed that they are positioned in the soft planting area adjacent to the bus stop.

I trust the location plans, previously submitted will be sufficient for you to consider this amendment.

Regards

Pete Trumper
