

### Sign Colours

Blue Background - RAL 5013 Cobalt Blue  
 Grey Text - RAL 7001 Silver Grey  
 White Text and Highlights - RAL 9010 White

### Lighting

The site at Harbottle falls just inside the Dark Sky Park in zone EO - 50.

The proposed lighting to each side of the sign to comply fully with the NNP Good Practice Guide for Outside Lighting.

The LED Lamp output to produce less than 600 lumens, be fully shaded and emit light of between 3000 to 4000 kelvin.
