Dear Jay,

Thank you for consulting me on the above proposed development. I would like to make the following observations with respect to the landscape and Dark Sky Park implications for the National Park, of the proposals set out in the applicant's documentation.

Having reviewed the details of this application I can confirm that I have no objections with regards the proposals set out in the application.

If you require any further information please do not hesitate to get in touch.

Kind regards

Robert Mayhew
