Dear Colin,

Thank you for consulting me on the proposed development at Kidlandlee.

In terms of public access, there are 2 public footpaths within the vicinity, however I would envisage that the proposals should not impact on these public rights of way or other access opportunities in the area.

Whilst any construction works are ongoing, care should be taken to not obstruct access to these rights of way or in any way prevent or deter public use of the paths without the necessary legal diversion or closure order having been made.

Yours sincerely
Lorna
