Subject: RE: Planning Application Consultation 19NP0032 Ventners Hall, Haltwhistle, Northumberland, NE49 9PP

Dear Colin,

Further to our pre-application discussions and confirmation of the design of the extension which does not break into the roof I do not have any objections to this application. Due to the size and nature of the extension there is very low likelihood of impact on protected species and no impact on priority or important habitat.

Yours sincerely,  
Gill Thompson
