Good morning.

Please find attached as requested a copy of the front elevation of the garden room with the lighting locations marked.

Point x shows where the up/downlighters are to be located either side of the sliding doors.

Point y shows where the 4 spotlights are to be located on the underside of the projecting canopy.

Many Thanks

Kind regards

Roger Harrison.

Dear Mr Harrison,

Thank you for email dated 28th April in connection with the Discharge of Condition no. 3 of planning permission 19NP0023.

The information that you provided is suitable for consideration, however we will need to see the precise location of the intended lighting on a plan (I have attached a copy of your original). Please mark on the elevations the precise location of the lights and return to me (copy attached). There is also a fee of £34 for discharging conditions, which you can pay by BACS, cheque or cash

I look forward to hearing from you

Regards
