Dear Colin,

I have no objection to this application, consistent with my comments in response to application 18NP0062 which is very similar.

On heritage grounds, there are three principal considerations to make:

- a. The effect of the proposal on the Frontiers of the Roman Empire World Heritage Site (Hadrian's Wall)
- b. The effect on other significant heritage assets, designated or non-designated, in this case relating to medieval Walltown; and
- c. The effect of the proposal on the heritage significance of the Post Medieval Walltown farmstead.

Consistent with the assessment made with regard to 18NP0062, the current proposal is unlikely to harm any of the above.

Kind regards,

Chris
