Dear Mr Godfrey

Arrangements for Handling Heritage Applications Direction 2015

**SEWING SHIELDS, HAYDON BRIDGE, NORTHUMBERLAND, NE47 6NW
Application No. 19NP0077LBC**

Thank you for your letter of 28 August 2019 regarding the above application for listed building consent. On the basis of the information available to date, we do not wish to offer any comments. We suggest that you seek the views of your specialist conservation adviser.

Given the proximity of the building to the line of Hadrian's Wall, where it is protected as a scheduled monument, we would ask for an advisory note to be attached to any Consent issued, to remind the applicant of the need to avoid damage to this monument and the need to obtain scheduled monument consent (SMC) for any works affecting it.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.

Yours sincerely

[REDACTED]
