Dear Colin,

I have reviewed the submitted written scheme of investigation relating to condition 10 of approved application 19NP0022 and I am happy to approve the scheme which shall be executed in full. I have one minor comment, relating to section 2.1.1 which refers to the IFA Standard and Guidance for Archaeological Excavations and should refer to the Chartered Institute of Field Archaeologists (CIFA) Standard and Guidance for an archaeological watching brief.

Best wishes,

Chris
