Hello Colin

I hope you are keeping safe and well.

The Elsdon Parish Councillors have had a chance to review this application with the assistance of the Village hall committee.

There is some concern over the height of the mast and how far it will extend over the roof of the village hall and hence be noticeable to residents and people passing.

As such there is a request for assurance that the colour of the mast will be something that will in keeping with the landscape around it i.e. green and certainly not something that will be very noticeable or reflect sun light to neighbouring houses.

However apart from that given the Village Hall committee are agreeable to have the mast installed at the Village Hall the Parish Councillors are in agreement to support the application.

Regards

Martin Chilvers  
Parish Clerk, Elsdon
