View from garden looking
North-West towards existing
Summerhouse and The White
House next door. Note high hedge
which separates properties

View looking East along
footpath immediately to the
North of the site. Existing
summerhouse just visible to the
right of the photograph

View looking South at main
summerhouse frontage onto road.
Gable end of The White House
visible to the right of the
photograph

Far reaching view to South from
existing Summerhouse. Note
restricted views to East and West
due to high hedges along
boundaries
