Hi

Apologies for delay in responding, the Parish Council have similar concerns as to the NNPA Historic Env Officer as to the proposed access have a detrimental impact on the setting of the Park and Harbottle Castle.

Our understand is that a precedent has been set with regards for conditions regarding access when planning permission was granted ( 10NP0041APP) at appeal for land to the rear of Greystones, Lanehead, Tarset, Bellingham. However we could not find a decision which we understand restricted access to the that development due to the sensitivity of its setting.

Simon
